## My Discharge From Hospital

### Your Details:

Your name:

Your date of birth:

Your doctor's name:

The date you left hospital:

The name of the person who told you about your discharge:

The name and number of the person to contact if you or your carers have any questions:

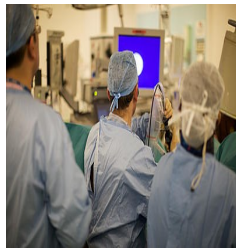

What is the reason I came into hospital and what did the doctors say was wrong with me?

---

---

---

---

What treatment have I had (operations and tests)?

---

---

---

---

Have my needs changed?  
(PEG, Catheter, mobility, swallowing, diet, equipment)

---

---

---

---

Have any of my medications been stopped or changed?

---

---

---

Do I have any new medication?

---

---

What is it called?

---

---

How often does my medication need to be taken?

---

---

How do I take this medicine?

---

---

---

---

What are the side effects I should watch out for?

---

---

---

---

Do I need any more appointments? **Yes / No**

When are these and where do I go?

---

---

---

---

Is anyone going to see me when I get home?  
(e.g. referral to ICT, community dietician, district nurse)

When will they come?

---

---

---

---

If you brought a purple folder with you, please ask staff to write in it before you leave hospital, or to give you a copy of the discharge summary.

Once your medicine is ready and any appointments have been booked, you will be able to go home. Arrangements have been made for you to go home with your family and friends or by hospital transport.
